

Program for Forskningsmødet i Dansk Selskab for Geriatri

Mandag d. 7. november 2011

P.P. Ørumsgade 11, bygning 8, Aarhus 8000 C (MarselisborgCentret)

- 12.30 Sandwich
- Kl. 13.00-13.10 Velkommen
- Kl. 13.10-13.30 **Jens Ulrik Rosholm, S Arnsparnd, L. Matzen, IA Jacobsen**
Geriatrisk afdeling, Odense Universitetshospital:
Auscultatory measurement using a sphygmomanometer in octogenarians.
- KL.13.30-13.50 **Jacob Greve Carlsen**
Geriatrisk sektion, Medicinsk afdeling M, Glostrup Hospital:
Postapoplektisk hypertension. Opstart af antihypertensiv behandling indenfor de første 24 timer; bedres prognosen?
- Kl. 13.50-14.10 **G.F Hvattum, M.L.W Engeland, L.E Matzen, S. Overgaard, J. Sørensen, J. Ryg.**
Geriatrisk afdeling, Odense Universitetshospital
Municipal cost and impact on home aid utilisation and nursing home services following hip fracture – A population-based study.
- Kl. 14.10-14.40 Posters
- Kl. 14.40-15.00 **Irada Gozalova**
Medicinsk afdeling C, Gentofte Hospital:
Antikoagulationsbehandling ved apopleksi og atrieflimren.
- Kl. 15.00-15.20 **Susanne Stabler Gren, I. B. Jacobsen**
Medicinsk Afdeling, Herlev Hospital:
24 hour ambulatory blood pressure monitoring used in a falls clinic
- Kl. 15.20-16.00 Kaffe og posters
- Kl. 16.00-16.20 **Lone Winther Lietzen, Deirdre Cronin-Fenton, Jens Peter Garne, Niels Kroman, Rebecca Sillimann, Timothy Lash**
Klinisk Epidemiologisk afdeling Aarhus Universitet:
Use of glucocorticoids and risk of re-operation due to post-surgical bleeding in breast cancer patients: a Danish population-based cohort study.
- Kl. 16.20-17.10 **Leif Vestergaard**
Direktør i Kræftens Bekæmpelse:
Hvad kan geriatrien gøre for ældre kræftpatienter?
- Kl. 17.10-17.30 Afrunding.

Posters til forskningsmødet d. 7. november 2011-10-16

- 1. K. S. Piper, H. E. Andersen.**
"Results from a geriatric fall clinic.
- 2. C. Foss.**
PET/CT as a diagnostic tool in elderly patients with fever of unknown origin.
- 3. M. Ørum, M. Gregersen, P. Brynningsen, E.M. Damsgaard. (HUF)**
Can the geriatric index of comorbidity predict perioperative mortality in colorectal cancer?
- 4. M. Midttun.**
R-test in the oldest old.
- 5. M. Gregersen, M.M.H. Jordansen, K. Buus, E.M. Damsgaard.**
Self-perceived quality of life in frail and demented elderly. Reliability in the depression list (DL) instrument.
- 6. I. Barat.**
Ortho-geriatric patient transfer between departments and hospitals prolongs hospital stay and effects survival.
- 7. C.Olesen, P. Harbig, I. Barat, P.L. Nielsen, E.M. Damsgaard.**
Generic substitution of oral tablets in elderly in Denmark.
- 8. M. Brandt, E. Grønvall, J.J. Henriksen, S. Larsen, E. Laesoe, M. Mørch, E.M. Damsgaard.**
Percentage of vestibular dysfunction in 361 elderly citizens responding to a newspaper advertisement.
- 9. L.E.Matzen, J.Ryg, T.Masud**
Functional level as measured with the Barthel Index is a strong predictor of survival on acute geriatric patients.
- 10. A.B.L. Pedersen, M. Gregersen, E.M. Damsgaard.**
Comprehensive geriatric assessment and length of hospital stay in acutely ill elderly medical patients.
