

Dear Danish Society of Geriatrics ,

I am writing on behalf of the Congress secretariat of the [World Hospital at Home Congress \(WHAHC 2021\)](#) the international platform to advance the hospital at home model and ecosystem. The Congress is taking place on 19th – 21st April 2021, as a Virtual Event.

I am happy to inform you that the Early Bird Registration is open until 18 March 2021.

Let your members know that they can still register and save up to **EUR 100** by registering now - <http://bit.ly/whahc21-register>

WHAHC21 Committee includes:

- **Itamar Offer**, Founder & Co-Chair of WHAHC, CEO , Sabar Health, Israel
- **Bruce Allen Leff**, Director, The Center for Transformative Geriatric Research, Johns Hopkins Medical Center, USA
- **Beatriz Massa**, President of the Spanish Society for Home Hospitalisation, Spain
- **Michael Montalto**, Medical Director, Epworth Hospital in the Home; Director, Aged Care Imaging Mobile XRay Service, Australia
- **Michel Calmon**, Fondation Santé Service CEO, French Hospital at Home Federation Vice President, France

We would be happy if you also could:

- Host a banner on your website and/or social media platforms
- Include WHAHC 2021 in an upcoming newsletter to your society members

We would of course be happy to reciprocate and offer promotion for your society by:

- Adding your logo to our website, hyperlinked to your website, in a dedicated Partners section <https://whahc.kenes.com/partners/>
- Publish any WHAHC 2021 coverage you have created on our social media

Below you will find sample text to forward your members AND/OR share the news on Facebook, Twitter or LinkedIn.

I look forward to your reply.

WHAHC 2021

World Hospital at Home Congress

19 – 21 April 2021, Virtual Event

<https://bit.ly/2whahc2021>

The Organizing Committee is pleased to invite you to the 2nd edition of the World Hospital at Home Congress (WHAHC 2021), set to take place on 19th – 21st April 2021, as a Virtual Event. Join us at the first of its kind international forum for building an ongoing conversation and multidisciplinary collaboration ecosystem on hospital-at-home (HaH) applications.

You can benefit from the Early Bird registration rates that will be available by 18 March 2021 and save up to EUR 100.

Whether you are a nurse, physician, allied health professional, scientist, health care provider, clinical researcher, part of a start-up or an established industry company, WHAHC is your opportunity to network and discuss the latest findings and their potential impact with the pioneers.

Don't miss this opportunity!

Regards,

RALITSA ENCHEVA
Marketing Coordinator
